First precinct-Paalua D. Kellett Jr., the Navy Department has no part in no board of officers to confern with the army representatives.

> surprise to the department commander, and will alter his private plans to a considerable extent. An order has just been issued from Department headquarters, granting General Macomb a month's leave of absence, to commence August 4, this furlough having the approval of the Division commander, and now comes the War Department order naming the general as presiding officer of the defense board to meet the last day of the present month. This means that General Macomb's trip to the Coast will have to be postponed Departmental Complications.

As yet nothing official has been received at army headquarters, but none of the muitary higher-ups question the reliability of the Associated Press dispatch, and they are making their plans accordingly.

When General Macomb completes Fifteenth precinct-William Henry; his duties with the board and finally gets his well-earned 'vacation, comon Colonel McGunnigle, the senior Seventeenth precinct - W. G. Ross, colonel at Schofield Barracks. This will lead to complications, for with the department commander at Leilehua, and department headquarters in Honolulu, it will be a long way between official documents and a signature. Colonel Campbell, the adjutant general, will be "on the job" however, and will manage somehow to keep the official wheels turning. He may have to-be a more frequent visitor to Schofield than he is at present, however.

----BREEDING EELS. The greatest ell breeding establishment of the world is that of Comacchio, on the Adriatic, where the industry is carried on with scientific care. This eel nursery consists of a gigantic swamp, measuring 140 miles in circumference, and is of ancient origin, since in the sixteenth century it yielded an annual revenue of \$6000
